## QUALIFICATIONS

Dates	Description of qualification	Place obtained
<i>1982 to 1989</i>	<b>MBBS</b>	<i>Trivandrum Medical College</i>
<i>1989 to 1992</i>	<b>MD(Gen Med)</b>	<i>Calicut University</i>
<i>1994</i>	<b>MRCP(UK)</b>	<i>RCP London</i>
<i>1997</i>	<b>DipRCPPath</b>	<i>RCPPathology</i>
<i>1998</i>	<b>MRCPath(Haem)</b>	<i>RCPPathology</i>

2004 *FRCP(Ed)* *RCP Edinburgh*

2004 *FRCP* *RCP London*

### **DISTINCTIONS**

*Selected for District Merit Scholarship for SSLC*

*First Class for MBBS, Fourth rank in Kerala University*

*Distinction for Forensic Medicine*

*First Rank in Calicut University for MD (Gen. Medicine)*

*First prize in Inter Collegiate Post Graduate Quiz Competition  
(KMC Manipal CME in 1990 & 1991)*

*Proficiency Prize for IAP Paediatric Quiz  
(Indian Academy of Paediatric, 1987)*

### **Honours or Prizes**

Best Out going Postgraduate Student in Medicine 1992  
(University of Calicut, Kerala, India)

Winner of G.K.Warrier Memorial Gold Medal 1992  
(First Rank in Postgraduate Medicine, University of Calicut)

### **THESIS WORK**

Work return after Myocardial Infraction  
(as a part of MD General Medicine)

### **MEMBERSHIPS**

*British Society for Haematology*

*American Society of Haematology*

*Associations of Physicians, India*

Member of Royal College of Physicians London & Edinburg

Member of Royal College of Pathologist , London

### **CAREER PLAN**

*Special interst in Haemato-Oncology , esp Lymphoproliferative disorders  
Supervise County wide Clinical Haematology service, including Level 3*

Haematology care.  
 Active Participation in teaching both undergraduates and Post graduate  
 Students, nursing staff .  
 Do research linking with Queen Elizabeth Hospital & Univ of Birmingham  
 Do future Publications & Presentation

**WORK EXPERIENCE (Current Job) 08-07-2002 ONWARDS**

**CONSULTANT HAEMATOLOGIST  
WORCESTERSHIRE  
ROYAL HOSPITAL**

**Worcestershire Royal Hospital (Full time) &  
Hon Senior Lecturer in Haematology , University of Birmingham from  
1-05-2008**

**& Shared Care arrangements - Queen Elizabeth Hospital Birmingham  
(University Hospitals NHS Foundation trust) Level 3 & 4 Stem Cell  
Transplantation**

Countywide Haematology service for the whole of Worcestershire linking Worcester Royal hospital , Alexandra hospital & Kidderminster general. With all inpatients based at WRH in the dedicated Haematology Unit ( Laurel 3). As a Consultant, 4.5 at WRH & 2.5 at Alexandra Hospital Redditch.

Mainly based at Worcestershire Royal hospital along with another Consultant, has daily responsibilities in the management of 3 Haematology clinics.

Inpatients: All level 1& 2 works are based at Worcester Royal Hospital. With 1:7 commitment for fortnightly attending Physician's role. During which period are in charge of the inpatients and all the medical referrals. Daily ward rounds with the junior medical team. Supervise all the procedures.

MDT meetings: once weekly meeting discussing all new cases and problem patients in the region. Discuss all Lymphoma patients.

Day Unit: Predominantly managed at Laurel 3 day unit at Worcester Royal Hospital. Also supervises the day case at Laurel 3 while working as the Attending Physician. Day case is usually nurse led. All procedures & Chemotherapy are done at the Laurel 3.

Out patients: 2 regular clinics at Worcestershire Royal Hospital and one clinic at Kidderminster Treatment centre, Kidderminster.

Anticoagulant : Nurse led clinics with medical inputs if needed. County Lead for anticoagulation.

Lead for all national Clinical trials and Phase II trials in Myeloma through University Hospital Birmingham.  
Currently Clinical Director for Haematology & Cancer service directorate since May 2009.

### **Management Experience In Worcestershire Acute NHS Trust :**

**Clinical Lead in Haematology** -Cancer services Worcestershire Acute NHS Trust Since 2008 onwards as a part of Medical Directorate.

Played a key role in reshaping the Worcester /Kidderminster Clinical Haematology Cover arrangements. Overcome the recruitment crisis for the Kidderminster vacancy. Worked towards the countywide structure in Haemato-Oncology. And created this new directorate for the first time in subsequent trust restructuring.

### **Clinical Director in Haemato-Oncology : since 2009**

Since officially a new directorate I was the Clinical Director since 2009. Actively involved in full centralisation of services and appointed new CNS's to cover all three major sites. Junior doctor crisis was managed and new appointment was made 2 years ago , along with re-instating Specialist Registrar back for the rotation. 2 New Consultant posts were appointed after senior Consultant retired in 2010. With full 7 Consultants across the three main sites and peripheral clinics including Bromsgrove, Evesham & Malvern. Active working arrangements with QE and starting shared care arrangements for Autologous Transplantation service. Acute Oncology service was implemented with a robust nurse led model with 2 specialty doctors. Two new Palliative care Consultants were appointed 6 months ago.

**Oncology Project participation:** Actively involved in the Worcestershire Oncology Project working along with Mr Adel Makar & Dr Clive Irwin, interim Oncology Lead for the trust. Fully established Oncology centre at Worcestershire , the first twin unit in the country with Coventry Oncology centre. 11 New Oncologist appointed and has been working through phase 3 implementation now with Head and neck cancer. Named as Worcestershire Oncology Centre.
