NATIONAL HAEMATOLOGY/Haemato-oncology CONFERENCE IN GUWAHATI

58th annual conference of the Indian society of haematology and blood transfusion (ISHBT) is going to be held in Guwahati from 2nd to 5th November 2017. The theme of this National Level Conference is “Haematology in day to day practice” and it is being organized by Department of Clinical Haematology, Guwahati Medical College & Hospital, Guwahati in association with North East Chapter of Indian Society Haematology Transfusion Medicine. Prof. Jina Bhattacharyya, the head of department of Clinical Haematology, GMCH is an Organizing Secretary & organizing Chair persons are Prof. Pabitra Kumar Gogoi and Prof. Amrit Kumar Bhattacharyya. As a part of pre-conference training, there would be 7 parallel workshops in different laboratories of GMCH, IIT-Guwahati, International hospital etc. to skill up with latest methodologies of haematology diagnosis. A large number of highly reputed leading haematologists will deliver lectures from all over the country. Haematologist/Haemato-oncologists from center of excellence such from MD Anderson Cancer center, Harvard medical, Mayo clinic from USA, and across the globe would be speaking on specialized Haematology topics and would be sharing back to back parallel sessions which would provide a special advantage to physicians of this region to this newer knowledge on haematology..such as blood cancer. There would be research papers competitions for various categories awards besides a national level quiz competition for post graduate and DM students from pathology, Medicine and Paediatrics in particular. The organizing committee is expecting a gathering over thousand specialist doctors in this conference. The organizing committee is requesting doctors and students to register take the benefit of this academic feast. There would be scientific exhibition during entire duration of the conference besides exhibition of provision of traditional and ethnic materials.
